Kind Attn:-Mr. Sudipta Saha(AGM-REMS)

Sub:Refractory lining job for 100 tpd sponge iron

Ref:W.O.NO-

This is to certify that refractory work in our 100 TPD sponge iron plant (DSC,ABC,STACK,PREHEATER,ROTARY KILN,COOLER) with reference to the above work order has been successfully and safely completed.

We appreciate the hardworking and sincere efforts of your site Engineer and the team.

We wish to extend our thanks and congratulate all the team members of TRL Krosaki Refractories Ltd who were involved in the supply & application of refractory in the new sponge iron Plant of Steel Rolling Mills, for completing the job meticulously in time successfully and safely.

Thanking you
