To Whom So Ever It May Concern

This is to certify that M/s TRL Krosaki Refractories Limited, Belpahar, Odisha have executed the complete Design, Supply, Installation and Dry Out of Refractories for both the CFBC Boiler of 2 x 250 MW CFBC Boiler Project at Village Padva, District Bhavnagar, Gujarat State through M/s Bharat Heavy Electricals Limited as OEM & EPC contractor.

We appreciate the hard working and meticulous planning of the TRL Krosaki's Project Execution Team who has made it possible to complete the entire execution of more than 10,000 MT Refractories in less than 18 month time in 2 Nos of CFBC Boilers. We will be commissioning the boilers soon and we hope that with the care taken during application there will not be any major issues in the refractory applied.

The Environment, Health and Safety measures taken by TRL Krosaki during throughout the execution of the project work at site was very much commendable.

We believe that TRL Krosaki shall be in a position to discharge their duties to the full satisfaction of their Customers for similar kind of requirement.
