## **LCP - II JOB completion certificate**

This is to certify that M/s TATA REFRACTORIES LIMITED (TRL) has been awarded the contract for the project lining against the PO No 4600006824 dated 25.10.2007 and refractories material supply against the PO No 4600006823 dated 25.10.2007 of LCP-II as per design of M/S Mearz.

M/S TRL supplied the material as per contract, meeting towards the specification and completed the refractories lining work. The kiln has been started on 18.10.2008 and successfully commissioned for the production.

No abnormality has been found in the refractories lining during commissioning operation of the kiln.

For Ispat Industries Limited
