

To Whomsoever it may Concern

**Atanu Ranjan Pal**  
Chief, Refractory Technology Group

This is to inform that M/S TRL Krosaki Refractories Limited (formerly Tata Refractories Limited) has supplied High Alumina & Silica Refractories for stoves during the project stage in our Blast Furnace nos. F, G, H & I.

Furnace Name	BF Inner Volume	Year of Execution	Silica Supply	Hi Alumina Supply
F	1832 m3	2012-2013	No*	Yes
G	2803 m3	2005-2006	Yes	Yes
H	3814 m <sup>3</sup>	2007-2008	Yes	Yes
I	3814 m <sup>3</sup>	2011-2012	Yes	Yes

\*F BF by design is with Hi Al bricks ,no silica bricks was required for relining

All these furnaces stoves are working satisfactorily

The performance of the materials supplied by them is satisfactory.

For Tata Steel Limited
