TO WHOM SO EVER IT MAY CONCERN

This is to certify that the M/s TRL Krosaki Refractories Limited, Belpahar India have supplied Refractories for our ABF # 1, ABF # 2 and ABF # 3 in our Smelter Plant # 1 in the year 2007-08. The Refractories are running about 120 plus heats in our ABF # 1 and the present condition is satisfactory and more life is expected.

Thanking you

Yours faithfully
