TO WHOM IT MAY CONCERN

M/s TRL KROSAKI has been awarded with the trough management at JSW Steel (Karnatka) BF#1 Cast House #1. They are managing the contract since April 2013 till date they have completed one full campaign and the second campaign is running.

In the first campaign M/s TRL KROSAKI has delivered a throughput of 2,00,000 THM which is the highest campaign throughput been delivered by any of the vendors at BF#1.

We congratulate TRL KROSAKI for their achievement and hope they will excel further in future campaign.

For JSW STEEL LIMITED
