### LETTER OF APPRECIATION

This is to certify that **M/s TRL Refractory Limited**, has carried out Boiler refractory works. During this execution we are pleased to mention that they have given importance and priority for Safety and Environment. They have deployed **61552** man hours with good safety record. We appreciated the Safety and Environment practices.

For Jindal Urban Waste Management (Guntur) Limited

Paladi Ravi Sankar  
EHS in-charge, AP Projects.
